

# Adult Classes

At Dance Theme Academy, we believe that dance is for everyone, regardless of age or experience. That's why we are excited to offer a range of engaging and dynamic adult programs designed specifically for our adult learners.

Whether you're a seasoned dancer looking to reignite your passion or a beginner eager to explore the world of dance, our adult programs provide a welcoming and supportive environment for you to express yourself and enjoy the art of movement.

Tap enthusiasts will find a home in our experienced tap program. This class is tailored for adults with previous tap experience who wish to refine their skills, challenge themselves, and explore intricate rhythms and combinations. Our experienced tap class offers a vibrant and engaging atmosphere where dancers can embrace the joy and artistry of tap dance.

For those seeking a more accelerated tap experience, our accelerated tap class provides a fast-paced and challenging environment where dancers can further develop their technique, musicality, and improvisation skills. This class is perfect for adults with a solid foundation in tap who are ready to take their dancing to the next level.

If you're a fan of Broadway and crave the excitement of theatrical jazz, our Broadway jazz class is the ideal choice. In this class, you'll learn energetic and stylized jazz routines inspired by the magic of Broadway shows. Discover the fusion of technique, expressiveness, and storytelling that brings Broadway jazz to life.

Get ready to groove and move in our adult hip hop class. Whether you're a beginner or have previous experience, our hip hop class offers a fun and energetic environment where you can learn the latest hip hop moves and develop your own style. Join a community of dancers who share your passion for urban dance and enjoy the positive and vibrant atmosphere of our adult hip hop class.

This year, we are excited to introduce our Tigers Alumni Team, an audition-based hip hop team exclusively for adult dancers. This team offers an opportunity for experienced hip hop dancers to come together, refine their skills, and compete in exciting competitions. Join this dynamic group of dancers and experience the thrill of performing and competing as part of our Tigers Alumni Team.

No matter which adult program you choose, Dance Theme Academy is committed to providing an inclusive and enriching experience for adults who love to dance. Our passionate and experienced instructors create a supportive and non-judgmental environment where you can challenge yourself, express your creativity, and connect with fellow adult dancers who share your love for movement.
