

Academy Program

The Academy program caters to once-a-week dance students who aspire to receive top-quality training and exciting performance opportunities. This program is designed to provide the best in children's dance education. Participants in the Academy program will have the chance to showcase their progress in the year-end recital, and depending on their age and level, they may also have the opportunity to participate in one or two festivals throughout the year.

The Academy program offers a wide range of classes to choose from, including Acro, Ballet, Hip Hop, Lyrical, Contemporary, Jazz, and Tap. Students can explore various dance styles and nurture their artistic expression.

The session for the Academy program runs from September to June, providing a comprehensive dance education experience throughout the academic year.
